## MHS PREMIUM

The MHS PREMIUM range is outstanding due to top quality and user-friendliness. It cuts quietly and oil-free with the innovative round blade. Thanks to the new narrow version MHS PREMIUM S, you now have more space for high-turnover goods in your bakery.

- ▶ Slice thickness freely selectable in 0.5 mm steps
- ▶ 3 additional memory buttons, freely programmable
- ▶ Function for cutting numbers of slices
- ▶ Function for dividing and half cutting
- ▶ Hygienic membrane keypad for simple operation
- ▶ Bread measurement without light barrier
- ▶ Maximum slicing quality due to circular round blade cutting
- ▶ New-Wave blade with improved contour and serration (optionally available)
- ▶ Oil-free cutting, even of warm bread
- ▶ Quiet cutting - the special MHS blade prevents the generation of cutting noise right from the outset
- ▶ Extraction tray with crumb slots
- ▶ Powerful blade drive (1.5.kw) with frequency converter
- ▶ Tested safety (GS-tested)
- ▶ Blade protection (optionally available)
- ▶ Bag holder and clip retainer (optionally available)

## EFFICIENCY DUE TO:

- ▶ Minimal gripper remainder
- ▶ Extremely durable blade thanks to special coating and original MHS sharpening
- ▶ Intuitive, straightforward operation without complicated menu guidance
- ▶ Particularly easy cleaning
- ▶ Low maintenance costs as particularly maintenance-friendly
- ▶ Drive with frequency converter protects the mechanical parts (soft start-up, soft stop)

## MAXIMUM HYGIENE DUE TO:

- ▶ Stainless steel housing
- ▶ Removable front cover for easy cleaning of blades and the cutting chamber without having to move the machine
- ▶ **Unique - only with MHS:** rear wall removable without tools for even easier cleaning of the back cutting chamber
- ▶ Functional parts easily accessible
- ▶ Blade cleaning position
- ▶ Hermetic encapsulation of the drive and electronics in the cutting chamber
